

PARISH WIDE MEETING: November 26, 2017, 12PM St. Patrick's Church, Chateaugay

Only four people were present for the meeting. Father and Deacon gave an overview of our planning thus far and our main purpose was to move the Church forward. The main portion of the plan is to prepare for only one priest serving our parishes and that changes would have to be made in our liturgical schedules specifically. The training of laity to take on more roles was discussed. A few questions were raised, in regards to finances specifically if natural gas at St. Patrick's was saving us money. It saved us about \$5000 last winter. Talk regarding future upgrades to church including heating, electrical, and painting are some immediate concerns. The participants were very supportive and are eager to help in any way they can. Meeting lasted about 45 minutes.
