

PARISH WIDE MEETING: December 2, 2017, 11AM at St. Francis, Constable

Only 8 people were present. The date and time were not published the week before in the bulletin. The primary comments were asking for more financial information for Bombay, saying they had difficulty in obtaining it. A similar comment was made by a member of St. Francis. Support was shown for Fr. Tom and Deacon Brian. It was noted Bombay could sacrifice more to insure its longevity. People present had the opportunity to speak, they were pleased with that approach. All realized the difficulty of the decisions that will need to be made. The meeting lasted around 40 minutes.

(Note: Meeting announcement was published in the Nov. 12 & Nov. 19 bulletins. Bulletins are posted at the parishes websites.)
